MEMORANDUM FOR THE RECORD

SUBJECT : Assignment of [REDACTED] to
cover P-E work on GUSTO work

25X1A

1. On 19 January 1959, [REDACTED] requested the undersigned to work out an arrangement whereby P-E could request documents from ASTIA and NASA Libraries. These documents were in regard to laminar flows at supersonic speeds.

2. Normally, a Contractor must have a need to know, i.e., working on a contract for the Government, before these Agencies will honor requests.

25X1A

3. The undersigned arranged with [REDACTED] for the assignment and use of the subject [REDACTED] as a citation on P-E request. [REDACTED] agreed to "backstop" any inquiries from these Agencies.

4. Dr. R. Scott was advised of this procedure and the number to be used. No further problems are expected in this area.
